*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which it basically modified me, altered the way I believe.*

Gray died in 1806 at Charleston, and he died in poverty. CHAPTER II LEWIS AND CLARK THOUGH Gray suffered eclipse, and though the Government of the United States maintained an attitude of indifference towards his discovery, there was one American statesman with that vision of his nation s natural domain which had inspired the sweeping phrase from sea to sea in the charters granted to the first English colonists. Thomas Jefferson dreamed of expansion to the Pacific Ocean for at least twenty years before the way opened to put his desire into effect. In December, 1783, he had written on this matter to George Rogers Clark, whose military genius during the Revolution had given the young Republic its farthest western boundary. The fact that the British at this time entertained the idea of exploration overland apparently had its influence on Jefferson, for he wrote: I find they have subscribed a very large sum of money in England for exploring the country from the Mississippi to California. They pretend it is only to promote knowledge. I am afraid they have thoughts of colonising into that quarter. Some of us have been talking here in a feeble way of making the attempt to search that country. But I doubt whether we have enough of that kind of spirit to raise the money. How would you like to lead such a party? tho I am afraid our prospect is not worth asking the question. JeffersOn s...
