Guernica Editions, Canada, Canada, 1998. Paperback. Book Condition: New. 198 x 126 mm. Language: English . Brand New Book. In San Diego, California, between June 15 and June 17, 1996, two writers sit before a microphone and exchange ideas on a number of burning issues which they both had to deal with for over twenty years. Literature, the politics of publishing, identity, culture, post-emigrant culture, ethnicity, pluriculturalism, Americanism, Canadianism, nationalism, the use of writers associations: these are some of the themes that Antonio D Alfonso and Pasquale Verdicchio tackle in this casual yet intense duologue. More than just a leisurely dialogue, this essay as conversation is a labyrinth of serious thinking that questions many false notions that are being presented in media today.
