Filesize: 3.92 MB

Reviews

The publication is fantastic and great. It can be rally exciting through reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.

(Prof. Alvis Wuckert)

MASTERING COPPERPLATE CALLIGRAPHY

DOWNLOAD

Dover Publications May 2000, 2000. Trade Paperback. Book Condition: New. Developed by English handwriting masters in the 18th century, copperplate calligraphy is admired for its fluidity and beauty. It is the most popular style for social correspondence, invitations, and other communications requiring an elegant hand. In this practical manual, a noted calligraphy teacher offers a comprehensive, step-by-step guide for the student. Beginning with a brief but fascinating history of copperplate, she moves quickly to an in-depth examination of the alphabet, numbers, and punctuation. Each letter is demonstrated stroke by stroke with a clear explanation. Readers will also find detailed discussions of writing in color, using the proper paper, and learning how to retouch, correct, and crop. Ms. Winters then shows how copperplate can be used to write a simple paragraph, a short quotation, or poetry, and explains how to use the script commercially for addressing envelopes and writing name cards and invitations. With this easy-to-follow manual and some practice, calligraphers will be able to create copperplate scripts with the rhythm, grace, and ease of the great writing masters. Practical guide teaches elegant 18th-century writing style. Each letterform demonstrated stroke by stroke with clear explanation. Write quotations, poems, invitations, more. Numerous black-and-white illus. Bibliography.
