iUniverse, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Nigerian religious landscape is characterized by series of violence leading to bloodshed, loss of thousands of life and property worth billions of Naira. This unfortunate situation raises much concern in the minds of well-meaning Nigerians. Hence, this book raises such crucial questions as: How can Nigeria remain a secular state, and still maintain its plurality of religion and at same time survive disintegration because of religious violence, conflict and intolerance? How can followers of these different religions maintain their religious identity, while at the same time co-operating with one another in making Nigeria a home for all, where all can worship God in freedom and peace? This book offers hope in the midst of hopelessness, it underscores the fact that, though tribe and tongue may differ, though religious differences exist, Nigeria is still one sovereign nation. Consequently, the opening title: Together as One resonates with the opening statements of the Constitution of the Federal Republic of Nigeria that professes unity, harmony and peace as one indivisible and indissoluble sovereign nation under God. This book finds the hope of reclaiming and rebuilding this unity and harmony, threatened by religious violence, in Interfaith Relationships between African Traditional Religion, Islam, and Christianity.
