Castle Rock Research Corporation, United States, 2014. Paperback. Book Condition: New. Study Guide. 279 x 216 mm. Language: English . Brand New Book. The SOLARO Study Guide is designed to help students achieve success in school. It is a complete guide to be used by students throughout the school year for reviewing and understanding course content, and for preparing for assessments. The content in the California High School Biology study guide is 100 percent curriculum aligned and serves as an excellent source of material for review and practice. Each Class Focus includes the following sections: Cell Biology; Genetic Variation; Phenotypes and Genotypes; Genes and DNA; the Genetic Composition of Cells; Ecology; Evolution; Evolution and Changing Environments; Physiology; and the Immune System. To create this book, teachers, curriculum specialists, and assessment experts have worked closely to develop the instructional pieces that explain each of the key concepts for the course. The practice questions and sample tests have detailed solutions that show problem-solving methods, highlight concepts that are likely to be tested, and point out potential sources of errors. Enhanced treatment of concepts, more practice sections, and additional learning tools are found in the accompanying digital version of SOLARO which may be accessed through the web or on mobile devices.
