

## The German Model: Seen by Its Neighbours

By Brigitte Unger

Sophie Enterprises, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Since the Financial Crisis in 2008 Germany has performed economically far better than most of its neighbouring countries. What makes Germany so special that nobel prize winner Krugman called it a German miracle and is this sustainable? Is it its strong economic and political institutions, in particular trade unions, which by international comparison are a solid rock in turbulent waters, its vocational training which guarantees high skilled labour and low youth unemployment, its social partnership agreements which showed large flexibility of working time arrangements during the crisis and turned the rock into a bamboo flexibly bending once the rough wind of globalization was blowing? Or was it simply luck, booming exports to China and the East, a shrinking population, or worse so, a demolition of the German welfare state? All along from miracle to fate to shame of the German model: Is there such a thing like a core of Germany? The debate on the German model is controversial within Germany. But what do neighbours think about Germany? The Nordic countries want to copy German labor market...
