THE ABC OF POTATO CULTURE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The ABC of Potato Culture Dear friends, one great reason why I have asked Mr. Terry to write this book on potatoes is the number of people that are at this present time begging for something to do. In our factory for the manufacture of bee-supplies, we employ from 100 to 150 hands, and it is not only daily but sometimes hourly that I am besieged with applications for something to do. I have employed as many as I could, and suggested means of employment to those I have been obliged to send away. Many times these friends say they have been everywhere, asking for employment. This matter has been on my mind for many months, and it has seemed that the great problem before our American people was to find something they could do, to earn the necessaries of life. Work in factories is, to a certain extent, not permanent. The vicissitudes of business necessitate cutting down the force, and sometimes stopping entirely. What shall the men and women of America busy themselves with? How shall they earn their bread by the sweat of their face? After having considered this question prayerfully, the answer has come to me, Go out into the open fields, and ask old Dame Nature for something to do - till the soil, busy yourself with domestic animals, bees, poultry, and the like. After you have once learned to do this, you are independent; that is, you are not dependent on any human being for the wherewith to earn your bread. You are looking to God the Father; and he has said, Him that cometh unto me, I will in...
