Inspirations from Ireland: Hounds and Leprechauns, Faeries and Banshees

By J Craig Bell

Publishamerica, United States, 2005. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Inspirations from Ireland: Hounds and Leprechauns, Faeries and Banshees was born out of a desire within me to leave a positive legacy. Hence, this set of daily readings came to fruition after long years of feeling a sense of motivation every time I visited Ireland. It is a series of vignettes, some serious and spiritual, others light-hearted and whimsical. There are enough and more for one per day each month. The entries were generated from weeks spent soaking up the culture and the warmth of the people of Ireland over a period of thirty-five years. They cover all areas in Eire and Northern Ireland, from wild northern Donegal to the ethereal southern coast, from the tiniest villages to throbbing Dublin and Belfast. The four images in the subtitle lend a hint that the spiritual takes precedence in the readings. The content of the entries can be enjoyed by anyone of any background, despite the fact that my Christian faith shines out throughout.
