## UNRAVELING CHARLIE

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In 1967 William Hayes was 12 years old when he s targeted by a pedophile named Charlie Schoeler. Over the next three years his life becomes split between the normal world of any young boy and the secret world Charlie draws him towards. A deceptively plausible one he falls further and further into until it becomes his life. The novel takes you back to a time and place before society was fully aware there were predators like him. It tells the story of the planned and calculated way a child molester goes about selecting his victims and how he views and treats them once they become dependent on him. Charlie Schoeler seemed to have everything. He s a well thought of teacher who has the respect of his community and a close circle of friends he s known since childhood. To all outward appearances his life is satisfying and fulfilling. He takes care of his mother and tutors children who need help after school. Nobody suspects what he really is. Charlie is able to hide behind the strictures and mores that still govern society at that time. The sexual revolution is just beginning in America and most people aren t aware men like him exist. Even his closest friends and colleagues see his mentoring of young boys as something laudable. William Hayes is an average student and good athlete. Like most children of that time he s been brought up to be polite and obedient. When Mr. Schoeler asks if he d like to go to the beach he jumps at the chance. His parents like Mr. Schoeler, he d taught William s older sister...
