By Pamela Palmer

Tantor Media, Inc, United States, 2014. CD-Audio. Book Condition: New. Library ed. 170 x 165 mm. Language: English Brand New. Kara MacAllister thinks she's just an average, small-town preschool teacher until the night a mysterious stranger shows up at her door claiming that she's not only immortal, but the chosen one of a band of powerful shape-shifting males. Lyon steals her away from everything she knows and thrusts her into a world beyond her comprehension, a world filled with magic, nightmares, and perilous danger where Kara discovers an inner strength she never knew she possessed, and a passion in the arms of Lyon beyond anything she ever imagined. As he works with Kara, preparing her to become the source of power for the Feral Warriors, Lyon is swept away by her vulnerable beauty and tempted beyond all reason by a desire he can't deny. But when Lyon realizes his band of warriors has been infiltrated by an ancient evil, he begins to question whether Kara is quite as innocent as she seems. And he begins to wonder if the woman who's stolen his heart is destined to be his salvation or his doom.

It is really a remarkable publication I actually have possibly study. It usually is not going to cost excessive. It's been written in an exceedingly basic way and is particularly only right after I finished reading this publication through which basically transformed me, affect the way I think.
