THE EFFICIENT STUDENT: METHODS TO INCREASE CONCENTRATION AND MAINTAIN PERSISTENCE WHILE STUDYING FOR A LONG PERIOD OF TIME

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In its first edition, this book immediately became one of the most popular International Bestsellers for Learning, having been ranked in First Place in the Education section of Amazon Brazil and during months among the 20 most sold books ever in all genres combines. After numerous attempts from multiple entities to remove this book from market due to the impact it can cause in the educational system, the Author decided to edit the first version, by expanding it in knowledge and new chapters, thus contributing to a better explanation of this topic. This book summarizes the most important methods for someone to be able to increase its concentration levels and persist in learning. Taking into account issues raised by numerous students with learning difficulties, but also students who wanted to become more efficient, the author was able to synthesize his direct experience with such individuals in order to make them more capable. All students, without exception, that were observed applying the methods mentioned here in an integral way, managed to significantly prolong the period of their individual study, as well as maximize the efficiency of their results through a better understanding of the materials studied. The strategy outlined here is based on a wide experience in both Europe and Asia, closely observing several programs for teaching and the behavior of students of different ages and regions of the world, from the most elemental till the University level, including Vocational Training. It s also based on dozens of experiences that were as innovative as radical, namely, teaching, with success, the Chinese Language to Spanish children with seven years old in less than a year. Having been an experienced Professor...
