Cybercriminals earn over 100 billion annually, and every year their tactics become more stealthy and sophisticated. The development and distribution of new malicious software has grown from a few hundred thousand pieces in 2006 to over a hundred million pieces a year in 2013. Who will save us Unfortunately, our government is just as susceptible to cyberthreats as we are. This means we all must learn what we can in order to save ourselves and protect the people we love. Luckily, this isnt nearly as difficult as it sounds! Stop Cyber Crime from Ruining Your Life! Sixty Secrets to Keep You Safe uses a casual tone to demystify the subject while teaching readers about the very real dangers of cyber-thieves and predators. This easy-to-read, useful, non-technical book offers simple rules and tools that protect readers and their loved ones from losing everything to cybercriminals. An invaluable new resource by Cynthia James, the book makes protection as painless as possible while ensuring we learn the basics of cybercrime so we can dodge costly mistakes that can leave us vulnerable. This guide should arm readers with the knowledge, confidence, and tools to start protecting themselves immediately. It includes information on the methods cyber criminals use, how to avoid getting infected, and warnings such as the fact that 401ks arent insured against a cyber attack. Filled with everything you need to know about what you fear most, this book is the ideal resource for the war on cybercrime - it will have you ready to fight back in no time. Written by an expert in cyber-security, Stop CyberCrime from Ruining Your Life! serves as an authority on the subject. At a time when the average person desperately needs...
