Artist/Author Michelle Rathore was able to see and hear Spirit from childhood. Hearing voices, seeing Spirits and dreams that came true were a part of every day life for her. It wasn't until she saw her sister's death two weeks before it happened that Michelle really decided it was time to pay attention and gain some sort of understanding of her gifts and how they might help others or prevent a further tragedy from happening. She watched her Dad die from 5000 miles away and urged her family to not turn off his life support as she knew he would be coming back. She told of where he was and who he was with in Heaven only to have her Dad indeed come back and tell the same story Michelle had already told them hours earlier via telephone from England. A year later the photo on the cover of the book was taken with her sleeping Dad. Story after amazing story of how Spirit can and will interact with us on a daily basis if we will only pay attention and listen. A tap on your hand in the middle of the night may not be one of your OWN children. Find out what a Spirit child woke her up for. Read about what she heard on the the baby monitor in the twins room and what she saw one baby doing when she went to their room at 2am. An instruction from Spirit one morning telling Michelle, You will be working with Seven Sacred Symbols. found Michelle painting for the...
