

Wild Coast: Travels on South America's Untamed Edge

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, Wild Coast: Travels on South America's Untamed Edge, John Gimlette, Dolman Travel Book of the Year 2012 Between the Orinoco and the Amazon lies a fabulous forested land, barely explored. Much of Guiana seldom sees sunlight, and new species are often tumbling out of the dark trees. Shunned by the conquistadors, it was left to others to carve into colonies. Guyana, Suriname and Guyane Francaise are what remain of their contest, and the 400 years of struggle that followed. Now, award-winning author John Gimlette sets off along this coast, gathering up its astonishing story. His journey takes him deep into the jungle, from the hideouts of runaway slaves to penal colonies, outlandish forts, remote Amerindian villages, a 'Little Paris' and a space port. He meets rebels, outlaws and sorcerers; follows the trail of a vicious Georgian revolt, and ponders a love-affair that changed the face of slavery. Here too is Jonestown, where, in 1978, over 900 Americans, members of Reverend Jones's cult, committed suicide. The last traces are almost gone now, as the forest closes in. Beautiful, bizarre and occasionally brutal, this is one of the great forgotten corners of the Earth: the Wild Coast.
