Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Documents and Proof of the Climate and Soil of Florida: Particularly East Florida Fellow Citizens: If I had not in accordance with the views I entertain of the duty of a representative to his constituents, prescribed to myself a rule, from which I am unwilling to deviate, at the end of each successive session of Congress to give you a brief history of what was proposed to be done for your benefit, I should, on the present occasion, have remained silent. There has been, in the six months of the session, not yet terminated, so little of interest, or of congratulation, that I might, with great propriety, have spared you the trouble of the recital of the causes which have prevented the consideration of any other topics, but those general ones of the deep and pervading interest which have agitated the whole country, from the meeting of Congress, to the present time. As, however, you had a right to expect that some subjects of importance to you should be acted upon, it is incumbent upon me to show that the failure to despatch them did not arise from any want of attention or negligence on my part. When I arrived here, after a voyage to Europe, rendered indispensable by causes with which you are familiar, I found the whole country in the deepest state of distress and excitement, resulting from a contest between the Executive and the Bank of the United States. It is not my province to go into the merits of this controversy. The combatants of the respective parties, impute, as usual all their blame to their adversaries. At the end of the...
