A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Brand New Book ***** Print on Demand *****.The west coast of Ireland presents scenery of the most beautiful and romantic character. Here grey peaks rise up amidst verdure of emerald green; trees of varied hue come feathering down close to the water; yellow sands line the shores of many lonely bays; dark rocks of fantastic shape extend out into the ocean, while deep blue lochs mirror on their bosoms the varied forms of the surrounding heights. On the south-west part of the coast a wide bay is to be found. At the extreme southern end, up a deep loch, a castle, the seat of an ancient family, reared its towers high above the waters. The bay came sweeping round at some places with a hard sandy beach; then, again, the ground rose, leaving but a narrow ledge between the foot of the cliffs and the waters. Thus the shore extended on for some distance, forming a lofty headland, when it again sank to its former level. A reef of rocks ran out a considerable distance into the ocean, forming a natural breakwater to the bay. Here and there to the north were several deep indentations, in which fishing-boats and several coasting craft might find shelter. In some of these little bays fishermen had formed their habitations, mostly out of the wrecks of stout ships which had been cast on their rocky shores. In some of the coves or bays several huts had been congregated together, but a short distance north of the promontory which has been spoken of stood a single hut. It was strongly built of ships timbers and roofed with stout planks, kept down by heavy stones, so that, though the furious blasts...
