The State of the American Mind: 16 Leading Critics on the New Anti-Intellectualism

By -

Templeton Press, United States, 2016. Paperback. Book Condition: New. 221 x 142 mm. Language: English . Brand New Book. In 1987, Allan Bloom's *The Closing of the American Mind* was published; a wildly popular book that drew attention to the shift in American culture away from the tenants that made America and Americans unique. Bloom focused on a breakdown in the American curriculum, but many sensed that the issue affected more than education. The very essence of what it meant to be an American was disappearing. That was over twenty years ago. Since then, the United States has experienced unprecedented wealth, more youth enrolling in higher education than ever before, and technology advancements far beyond what many in the 1980s dreamed possible. And yet, the state of the American mind seems to have deteriorated further. Benjamin Franklin's self-made man has become a man dependent on the state. Independence has turned into self-absorption. Liberty has been curtailed in the defense of multiculturalism. In order to fully grasp the underpinnings of this shift away from the self-reliant, well-informed American, editors Mark Bauerlein and Adam Bellow have brought together a group of cultural and educational experts to discuss the root causes...
