Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Cambridge University Press. Paperback. Book Condition: new. BRAND NEW, Smart Planet Level 2 Teacher's Book, Garan Holcombe, Smart Planet is a secondary-level course which appeals to students' curiosity about the world around them. Stimulating materials complemented by fascinating videos from Discovery Education help bring classes to life and are the ideal starting point for successful language learning. The interleaved Teacher's Book includes clear, at-a-glance teaching notes and video lesson plans, together with suggestions on how students can exploit the videos at home. It also provides background information sections, with useful extra facts about the lesson content. It also offers key competences and CEF mapping for every unit; warm-up, reinforcement and extension activities; teaching tips and a games bank. There is also a Spanish version of the Teacher's Book available separately.
