Business Tips How to Start Your Own Business, Make Business Plan and Manage Money (business tools, business concepts, financial freedom, make money easy, money management) This book is your sure guide and resource on how you can get started, manage and grow a profitable business. The process of starting a business can be rough and challenging. This book will help ease this pressure by taking you through the most important steps you need to take. Whether you are a yet to start your business or already running your business, this guide is meant for you. If you are yet to start your business, you will be taken through a step-by-step process of testing your idea, preparing your business plan and deciding on the type of business structure to operate. Also, there is an exposition on the various sources of finance you could access to run your business as well as planning an effective promotional strategy. If you are already running your business, this book will equally be useful to you. It will service as a refresher course, enabling you to re-focus and strengthen the very loose areas of your business operations. With the passage of time, our knowledge and competence levels will not meet the current market demands if we don t develop ourselves. This book will therefore serve a unique need by changing the way you approach, manage and grow your business. Here is a preview of what you ll learn: How to test your business idea to be sure it will be profitableHow to effectively prepare...
