

## The Add / ADHD Revolution: Treatments That Work

By Lavonne Kirkpatrick, La Vonne Kirkpatrick

iUniverse, United States, 2005. Paperback. Book Condition: New. 229 x 150 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Instead of concentrating on only a few treatments, The ADD/ADHD Revolution provides comprehensive information on a wide range of options. In clear and easy-to-understand language, the Kirkpatricks answer such questions as costs involved, providers of the various treatments, how the treatments work, and pros and cons of their use. Both informative and user friendly, parents and primary care providers alike will find this book to be useful for navigating the maze of therapies available for ADHD. Many parents are eager to find out if there are alternatives to drug (stimulant) therapy for ADHD. This book will give them a lifeline as they begin their search. Many of these therapies can also be used as adjuncts to traditional therapy as well as an alternative. Today's primary care providers will want to have this text on their shelves to answer questions from parents struggling with a child with ADHD.-Robin J. McAlister, M.D., Board Certified Family Physician This well-written and informative book is a must read for parents, school counselors, and family therapists. Classroom teachers will love using it as a...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
