THE CROSS IN THE JOHANNINE WRITINGS

Wipf Stock Publishers, United States, 2011. Paperback. Book Condition: New. 234 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: This book offers a rigorous analysis of the theme of the cross in the Johannine literature. After reviewing previous scholarship on the issue, Morgan-Wynne examines evidence that prima facie suggests that the evangelist, while maintaining the role of Jesus as revealer of the Father in his incarnate ministry, also saw something decisive for the salvation of human beings happening in the cross. Having established this, the work looks at John's understanding of sin and his concept of the purpose shared by the Father and Jesus, before reflecting on themes associated with the meaning of the cross. Of special importance is John 12, which connects the cross to the judgment of the world, the ejection of Satan, and the drawing of all to Jesus. The author examines what John considers to have been objectively achieved at the cross. A further section examines the meaning of the death of Jesus in the Epistle of 1 John, seen as the work of someone different from the evangelist but belonging to the same Johannine circle. The similarities and differences between Letter and Gospel are explored. Endorsements: After a comprehensive survey of recent scholarship on the significance of the death of Jesus in the Gospel and First Letter of John the author gives us his own carefully and clearly argued interpretation of it as a saving and not merely a revelatory event. This confirmation of the traditional type of understanding of John's theology over against views that weaken the significance of the cross in it is warmly to be welcomed, especially by students looking for an up-to-date discussion of the problems. -I.
