Dover Publications Inc., United States, 2014. Paperback. Book Condition: New. 196 x 124 mm. Language: English . Brand New Book. The one thing I do not want, quipped Jacqueline Kennedy, is to be called First Lady. It sounds like a saddle horse. This lively collection includes more than 350 revealing and thought-provoking remarks by White House wives, from Martha Washington (I live a very dull life here, and know nothing that passes in town.) to Michelle Obama (The only limit to the height of your achievements is the reach of your dreams and your willingness to work for them.). Humorous and heartfelt reflections include Abigail Adams s thoughts on partnership (No man ever prospered in the world without the consent and cooperation of his wife.); Dolley Madison s attitude toward gossip (It is one of my sources of happiness never to desire a knowledge of other people s business.); and Eleanor Roosevelt s comment on accountability (It is often the people who refuse to assume any responsibility who are apt to be the sharpest critics of those who do.).
