Brand New Book ***** Print on Demand *****.Excerpt from Government in the United States: National, State, and Local My aim in the preparation of this book has been to present in an elementary way the leading facts concerning the organization and activities of national, state, and local government in the United States. To stimulate the spirit of research and to encourage independent thinking among students, I have also added at the end of each chapter a list of search questions bearing upon the various subjects treated in the chapter. I am under obligations to a number of teachers for reading the proof sheets of this book and for...
