For those of you that also grew up in the fifties, you ll know that 1950s BC means before cell phones, before computers and before air conditioners. As a kid growing up in a small town, we never worried about crime. Our doors were never locked and our windows were left open in the summertime due to the heat. We knew all of our neighbors, children and parents, and they knew us. Kick back and enjoy these short stories from a good old boy from Acworth!.
