The Fire Starter Sessions is an apathy-kicking, integrity-infusing guide to defining success on your own terms. As the creator of DanielleLaPorte.com--deemed the best place online for kick-ass spirituality, Danielle LaPorte's straight-talk life-and-livelihood sermons have been read by over one million people. Bold but empathetic, she reframes popular self-help and success concepts: : Life balance is a myth, and the pursuit of it is causing us more stress than the craving for balance itself. : Being well-rounded is over-rated. When you focus on developing your true strengths, you enter your mastery zone. : Screw your principles (they might be holding you back). : We have ambition backwards. Getting clear on how you want to feel in your life work is more important than setting goals. Its the most potent form of clarity that you can have, and its what leads to true fulfillment.
