

JavaServer Pages Pocket Reference

By Hans Bergsten

O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, JavaServer Pages Pocket Reference, Hans Bergsten, This is a quick reference to a popular but complicated web technology. The component-based technology of JavaServer Pages (JSP) makes it easy for even web designers with little knowledge of Java programming to create dynamic web pages and to simplify the task of building applications that work with a wide variety of web servers, application servers, browsers and development tools. This reference book simplifies the ability to access JSP essentials and provides a quick over-view of the fundamentals of JSP and the servlets technology on which it is based. It also offers succinct information on JSP application development for web page designers, with reference sections on scripting elements, error handling, user session management and security.
