Government Accountability Office, 2007 OCLC Number: (OCoLC)86078741 Subject: Iraq War, 2003- Excerpt: . . . reliability describe the nature of our work and, most importantly, the character of our people. In all matters, GAO takes a professional, objective, and nonpartisan approach to its work. GAOs quality assurance framework is designed to ensure adherence to these principles. The framework is designed around people, processes, and technology and applies to all GAO work conducted under generally accepted government auditing standards. This policy is one of the most effective ways to ensure that a report is fair, complete, and constructive. In April 2005, an international peer review team gave our quality assurance system a clean opinion - only the second time a national audit institution has received such a rating from a multinational team. Thus, the Congress and the American people can have confidence that GAOs work is independent, objective, and reliable. The team, under the auspices of the Global Working...
