Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Paperback. Book Condition: New. Not Signed; The gripping story of Winston Churchill's wartime government, an emergency coalition of Conservatives, Labour, Liberals and men of no party, assembled to see Britain through the war. Dispelling the myth that the War Cabinet constituted an unbreakable 'band of brothers', award-winning historian Jonathan Schneer reveals that this ensemble of political titans were in fact a 'team of rivals' that included four Prime Ministers - past, present and future. Both illuminating and engrossing, *Ministers at War* is the first work to draw upon original research to present a previously unseen perspective of British politics during and after World War II. Schneer shows us that just as the war had kept them together, the prospect of peace saw this supposedly unbreakable band fall apart, providing a fascinating insight into the birth of the Welfare State. book.
