**Reviews**

*A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.*  
*(Rodger Hane)*

## MW

Vertical. Paperback. Book Condition: New. Paperback. 584 pages. Dimensions: 7.9in. x 6.0in. x 1.7in. Comics god Osamu Tezukas darkest work, MW is a chilling picaresque of evil. Steering clear of the supernatural as well as the cuddly designs and slapstick humor that enliven many of Tezukas better-known works, MW explores a stark modern reality where neither divine nor secular justice seems to prevail. This willfully anti-Tezuka achievement from the masters own pen nevertheless pulsates with his unique genius. Michio Yuki has it all: looks, intelligence, a pedigree as the scion of a famous Kabuki family, a promising career at a major bank, legions of female admirers. But underneath the sheen of perfection lurks a secret with the power to shake the world to its foundations. During a boyhood excursion to one of the southern archipelagos near Okinawa, Yuki barely survived exposure to a poison gas stored at a foreign military facility. The leakage annihilated all of the islands inhabitants but was promptly covered up by the authorities, leaving Yuki as an unacknowledged witness--one whose sense of right and wrong, however, the potent nerve agent managed to obliterate. Now, fifteen years later, Yuki is a social climber of Balzacian proportions, infiltrating the worlds of finance and politics by day while brutally murdering children and women by night--perversely using his Kabuki-honed skills as a female impersonator to pass himself off as the women hes killed. His drive, however, will not be satiated with a promotion here and a rape there. Michio Yuki has a far more ominous objective: obtaining MW, the ultimate weapon that spared his life but robbed him of all conscience. There are only two men with any hope of stopping him: one, a brilliant public prosecutor who struggles to build a case against the psychopath; the other, a tormented Catholic...
