

Nancy s Song

By William Forde

Createspace, United States, 2015. Paperback. Book Condition: New. Robert Nixon (illustrator). 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Musically talented 10-year old Nancy loves to explore the nearby woodland and feels at home with all aspects of nature. The story tells how Nancy and her mother cope with the news of her father s terminal illness. The author addresses the subject of bereavement in a sympathetic and realistic way while successfully encouraging the young reader to accept death as an inevitable stage of life itself. Bereavement, loss and separation are three of the most unsettling of emotions that one faces in their lifetime; none more so than when it involves the death of a family member and is experienced by a child. The healthy negotiation of this process requires time, patience and understanding by all concerned, along with the necessary expression of the bereaved person s feelings. When a young child experiences the death of a parent, it is not unusual for them to be left feeling emotionally confused and partly responsible . It is at such times when sensitivity by the adult minders needs to be at its greatest and being there...

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and i suggested this book to find out.
