## FRONTLINE: A SOLDIER S STORY

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Frontline offers an insight into the life of just one soldier out of the many thousands in the British Infantry deployed to Afghanistan. These modern day heroes risk their lives on a daily basis to help bring peace to a troubled country. Some of these soldiers are fresh out of school or college, and within a few months find themselves in a war zone fighting for their lives. Frontline gives a candid account of life on the front line. The highs and the lows of fighting a war thousands of miles from home, whilst at the same time battling homesickness and coming to terms with death and injury on a daily basis. Imagine being 18 and sent to a foreign country with 40-degree heat, an environment that is dusty and areas that are quite inhospitable. Every step on a dusty track could be your last as your eyes strain to catch a glimpse of an IED before it is too late. That is even before you get to where the enemy actually are, and before the rounds start impacting in the dirt, all around you kicking up small puffs of dust.
