Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.When Maddy Thorne agreed to marry her billionaire boss in order to keep him in the country, she never would have guessed they'd actually stay together. But over a year later, she's still happily married to the slightly eccentric, maddeningly attractive Daniel. As he begins to come out of his shell and turn into the figurehead that his growing technology company needs, Maddy finds herself dealing with a whole new set of problems. His assets frozen, he suddenly finds himself at the center of a media circus and a trial under a merciless judge with no way out. Maddy wants to support him, but it seems all Daniel wants to do is crawl back into his shell. In the midst of the chaos, Maddy receives an offer to display her drawings at one of the most influential galleries in the city. Pulled in two directions even as her life crashes down around her, will Maddy allow Daniel to keep pushing her away, or will she find a way to pull him back? - Excerpt - Before the entrees came, I actually tried to involve myself in the conversation.
